Dear Annie,

Attached please find a summons for your appearance at trial in Superior Court on November 16, 2011. I tried to get a later date so that the drugs can be retested without expedition, but Judge Donovan gave me nothing.

The above drugs were originally tested by you and Stacey. Since Stacey is no longer with the office, Julianne Nassif approved retesting of the drugs. I'm not sure if you will be able to just retest the whole thing alone. If not, please advise me who the other chemist is, as I'll have to notify defense counsel and send a summons for his/her appearance on the 16th of November. Couple questions:

1. Did the police bring the drugs back to you yet?
2. Can you get the bench notes to me by November 7th?

This is kind of a messy rush... I apologize. Let me know your status. Thanks again.

Sincerely,

Nicole B. Cordeiro
